Introduction

Digital literacy means using technology and the internet safely and effectively.

01. Useful Digital Tools

Google Docs / Slides – assignments

Zoom / Teams – online classes

Notion / OneNote – notes

02. Professional Online Presence

- Be respectful online
- Use formal language
- Keep profile clean

03. Safe Internet Practices

- Use strong passwords
- Avoid unknown links
- Protect personal info

Conclusion

Digital literacy helps students learn better and stay safe online.
